Application of PEFC Germany for Conformity Assessment of its revised documentation with the Requirements of the PEFCC Technical Document

Dear Sirs:

Herewith, PEFC Germany submits its application to the PEFC Council for conformity assessment of its revised documentation with the Requirements of the PEFCC Technical Document.

The revision was carried out as periodic review after five years (as required by the Technical Document, Annex 7, Ch. 6.4.4.3). The revised documents were adopted by the German Forest Certification Council on November 30, 2009. Apart from the revised documentation this application consists of the filled in minimum requirement checklist, a development report and reference documents (only on CD ROM).

Yours sincerely
